20	130,400,000	custom	195,600,000	RA6

Customize automatically:

- over 20 acres
- 5/8 tubing run is over 1,500 feet.
- over 30 feet of depth

*3/8 tubing maximum run is 300 feet, but can be paired with non-weighted up to 1,000 feet.

Based on a turnover rate of 48 hours or better.
